Did you know that the number one reason people declare bankruptcy is because of medical bills?

Did you know that Reuters reported that about 70 people die each day because they don't seek medical care because they don't have health insurance?

Did you know that American Citizens & Legal Residents MUST have health insurance or pay a fine of 2% of their income?

Through the Health Insurance Marketplace, ALL American Citizens and Legal Residents can receive affordable, quality health insurance through premier companies such as Horizon, United Health, Ameri-Health and others. These affordable health insurance plans cover all pre-existing conditions, children up until age 26 (with restrictions) and Preventative Care. (Immigrants with residency issues do not qualify, but your American born children DO qualify for insurance.)

*Did you know
